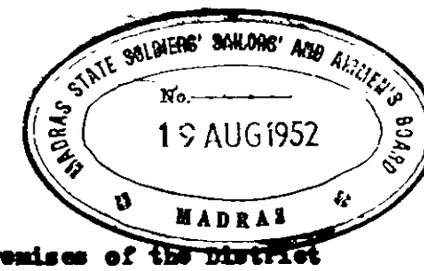
Notes of Inspection of the D.S.S. & A.Board, Bellary by Shri K.T.M.Nambiar, Assistant Director of Employment Exchanges, Madras.

President: Sri D.R. Sundaram, I.A.S.,
Secretary: Sri C.R. Chakravarthy, B.Sc., B.L.,



Date of last Inspection: 28-3-1951.
Date of present Inspection: 24-7-52.

Location: The Board's Office is located in the premises of the District Employment Exchange on the Krishnamachari Road as during the last inspection.

Staff: There has been no change in the staff since the previous inspection.

Correspondence Work: The No. of papers received during the year 1951 was 946 as compared to 726 papers received during 1950. From January 1952 upto and including June, 736 papers were received. It will, therefore, be seen that the work has gradually increased since 1950. A separate Distribution Register is maintained by the Secretary where he enters all the papers received every-day and obtains the acknowledgment of the clerk for the receipt of those papers. After the disposals of the currents also, the Secretary has been asked to take the initials of the clerk in the last column of the Distribution Register at the time of the last inspection. This is not being followed.

Personal Register: In the Personal Register, entries relating to reply of fresh currents received are not entered properly. I have instructed the clerk the correct method of entering the column. This should be followed. The dates of submission of papers to the Secretary to obtain orders to be filed and the dates of return by the Secretary should be shown in columns
647. (7) and (8) of the Personal Register.

Pension Cases: The following statement gives an idea of the number of Pension Cases handled by this Board so far:-

	Family Pension.	Disability Pension.
1. No. of cases received.	57	156
2. No. of cases sanctioned.	36	124
3. No. of cases rejected.	18	26
4. No. of cases pending.	2	3
5. No. of cases transferred to other District.	1	NIL
6. No. of cases transferred from other District.	NIL	1

It is gratifying to note that very few cases are pending. The authority sanctioning or rejecting the pension cases should be quoted in the case of closed cases. The percentage of disability ~~of disability~~ should be shown in the Pension Register in all cases. It is noticed that regular follow up action is being taken on all pending cases.

Accounts Work: The accounts of this Office were audited on 30-4-52. No ~~audit objections mentioned in the audit report and the result of the audit~~ audit objection was raised in the audit report and the result of the audit was stated to be satisfactory. On the day of inspection, the balances in the various accounts were:

1. Welfare Permanent Advance.	Rs. 49	12	0
2. Permanent Advance (Government).	4	12	0
3. N.A.C. Grant.	150	0	0
4. Ex-servicemen Centre Fund.	90	11	5

Of which only item (2) is in cash and the rest are in the Imperial Bank of India.

2....

D.S.S. & A.Board Meetings: Quarterly Meetings were held on the following dates in 1951-52:-

(1)	7-3-51	Present 11	Members.
(2)	16-7-51	" 10	"
(3)	19-10-51	" 9	"
(4)	31-1-52	" 8	"
(5)	22-4-52	" 13	"
(6)	14-7-52	" 13	"

Action has been taken on the resolutions passed by the Board. The total membership strength is 23.

K

Taluk Committees: Taluk Committees have been reorganised in the 7 out of 9 Taluks. But from the reports received by the Board, it would appear that only one the Committee for Hospet Taluk is the only one which has held any meeting in 1951 and 1952 upto date.

Medals: In all, 1000 medals were received by this Board of which 700 were distributed. The remaining 300 medals were in respect of ex-servicemen who did not respond to call notices issued by the Board. These medals are to be returned to the Record Offices.

Ex-service Centre: The Ex-service Centre which was functioning in a rental building in Cowl Bazaar at the time of the previous inspection had to be closed owing to lack of funds to run the Centre. The few library books and games materials have been stored by the Secretary in the Office.

RI

General Remarks: The performance of work in this Office shows considerable improvement when compared to the conditions reported in the previous inspection report. The work of the Office is satisfactory.

Ref:- From the R.D.R.E letter No L.Dis. 4956/52 dy 11.11.52.

In Memo No 175 53 P III/52-2 Dev Dt 15.3.52 The Govt Asked the R.D.R.E to submit periodical inspection reports on the working of the D.S.S & A Bds by the Dy D.R.E or the Asst D.R.E. The R.D.R.E has now sent the inspection report on the working of the D.S.S & A Bd, Bellary by the Asst D.R.E

It is seen from the inspection report that 7 out of the 9 Taluk Soldiers Committees have been reorganised, but none of the seven Committees was held a meeting from 1951 to date. The Coll and the President D.S.S & A Bd, Bellary may be asked to instruct the Tahsildars of the respective Taluks to convene the meetings of the Soldiers Committees. Except the above discrepancy, the working of the D.S.S & A Bd is satisfactory.

With reference to letter No 40531 P III/52 Dev Dt 30.6.52, a copy of the inspection report may be sent to the Govt of India for information. A draft letter is submitted for approval.

The papers may also be recorded with remarks as at A above. A draft order is submitted for approval.
